NOTICE TO CONTRACTORS OF STATE HIGHWAY CONSTRUCTION BIDS TO BE RECEIVED APRIL 14, 2010

Sealed Bids will be received by the City of Lakeland, Tennessee at their offices in City Hall 10001 U.S. Highway 70, Lakeland, TN 38002, until 2:00 PM, April 14, 2010 and opened publicly at City Hall, 10001 U.S. Highway 70, Lakeland TN 38002 at that hour. The reading of the bids will begin at 2:00 PM

The City of Lakeland is soliciting proposals for the provision of Construction Services to provide the Canada Road Pedestrian and Bicycle Facilities from TN Route 15 to just south of the Interstate 40 interchange (TDOT PIN # 112695) in Lakeland, Tennessee. Copies of the project manual, drawings and specifications must be obtained from the City of Lakeland Tennessee, 10001 U.S. Highway 70, Lakeland Tennessee 38002, upon receipt of a \$150.00 half-refundable deposit.

A non-mandatory pre-bid conference will be held March 31, 2010 at 2:00 PM, at the City of Lakeland Tennessee, 10001 U.S. Highway 70, Lakeland Tennessee 38002.

All bids will be opened and publicly read by the City of Lakeland at the time mentioned below at the City of Lakeland Tennessee, 10001 U.S. Highway 70, Lakeland Tennessee 38002.

The proposal, as submitted, should include all estimated cost related to the services requested in this RFP. If selected, your proposal will be the basis for entering into a contract with the City of Lakeland. Respondents requesting additional information or clarification are to contact Philip Stuckert, PE at (901) 867-2717.

Proposals must be received at City of Lakeland Tennessee, 10001 U.S. Highway 70, Lakeland Tennessee 38002, no later than 2:00 PM on April 14, 2010. Proposals should be addressed to:

City of Lakeland
10001 U.S. Highway 70
Lakeland, TN 38002

The package containing the original proposal (clearly identified as original) and two (2) copies of your proposal must be sealed and marked with the Proposer's name and "**CONFIDENTIAL, Canada Road Pedestrian and Bicycle Facilities**", PIN # 112695 noted on the outside.

All work shall be completed in accordance with the most current version of the Tennessee Department of Transportation Standard Specifications for Road and Bridge Construction and the Tennessee Department of Transportation Standard Roadway and Structures Drawings, which are incorporated herein by reference and made a part hereof. In addition, only the Special Provisions contained within the applicable Contract Proposal will be considered binding. Any reference to the Standard Specifications dated prior to March 1, 2006 shall be disregarded. In addition, any reference to any Special Provision not contained within the applicable Contract Proposal shall be disregarded. All questions related to the Contract Proposal, Plans, Specifications or Special Provisions shall be directed to the City of Lakeland Engineering Department (901-867-2717). Information received from other sources is strictly advisory.

IMPORTANT NOTICE TO BIDDERS

Prospective bidders should read the following instructions carefully before submitting their bids. Special attention is called to the regulations of the City that total bids, rather than unit prices, will be read. Proposals shall be rejected as being irregular if they fail to contain a unit price for each item listed.

After a bidder has submitted a bid, he can withdraw it up until the time set for the opening of bids. Totals read at the opening of the bids are not guaranteed to be correct and no final award of the contract will be made until bids and extensions have been checked and re-checked.

On all projects which are financed in whole or in part by funds received through Federal agencies and other third parties, the award of the contract by the City will be subject to approval by the party or parties through which funds are received. The City reserves the right to reject any bid proposal which is not acceptable to any such third party set out above, although such bid proposal would otherwise qualify as the lowest and best bid under the Standard Specifications.

The awarding of the contract or rejection of all proposals will be made within 30 days after the bid opening. Upon award, a detailed letter of instructions will be forwarded along with appropriate documents to the low bidder.

The City of Lakeland hereby notifies all bidders, that it will affirmatively insure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the basis of age, race, color, religion, national origin, sex or disability in consideration for an award.

The City of Lakeland is an equal opportunity affirmative action employer, drug-free, with policies of nondiscrimination on the basis of race, sex, religion, color, national or ethnic origin, age, disability, or military service. For more information call: (901) 867-2717.

The Davis Bacon prevailing wage rates apply to all American Recovery and Reinvestment Act of 2009 (Recovery Act) funded projects, regardless of location (including projects on local roads or rural minor collectors and Transportation Enhancement projects outside the highway right-of-way).

PREQUALIFICATION OF BIDDERS

Each prospective bidder must be prequalified by and in good standing with the Tennessee Department of Transportation prior to being given authorization to bid. A prospective subcontractor must be prequalified by and in good standing with the Department of Transportation prior to being approved as a subcontractor. Each prospective bidder or subcontractor shall notify the City of Lakeland and the Department of Transportation if there is any subsequent change in the name, organization or contact information provided to TDOT.

Prospective bidders' Prequalification Questionnaires shall be filed with the Department of Transportation at least fourteen (14) days prior to the date of opening bids on any letting in which the applicant intends to submit a bid, or at least fourteen (14) days prior to the date on which the applicant requests approval as a subcontractor under this contract. The City of Lakeland and the Department of Transportation reserve the right to request additional information and documentation to clarify and/or verify any information submitted in an applicant's prequalification application. The prequalification form can be found at the web address <http://www.tdot.state.tn.us/construction>.

ISSUANCE OF BIDDING DOCUMENTS

Bidding Documents may be obtained from the City of Lakeland Tennessee, 10001 U.S. Highway 70, Lakeland Tennessee 38002, telephone (901) 867-2717, during regular business hours upon receipt of a non-refundable deposit in the amount of \$150.00 for each set. Partial sets of Bidding Documents will not be issued. Bidding Documents are made available only for the purpose of obtaining offers for this Project. Their use does not grant a license for other purposes.

Addenda to the Proposal and amendments to the Bidding Documents will be issued to each prospective bidder by the City of Lakeland, if required.

ALTERNATE BID ITEMS

This project includes a Base Bid and additive alternates. The Contractor will be required to bid on the Base Bid and all additive alternates. Award of the contract shall be as defined in Special Provision 1044 - Special Provision Regarding Scope Of Work With Additive Alternate(s), included in this document.

NOTICE TO CONSULTANT ENGINEERS REGARDING A REQUEST FOR QUALIFICATIONS AND LETTERS OF INTEREST

March 18, 2010

The City Of Memphis, an Equal Opportunity/Affirmative Action Employer, seeks to retain the services of professional engineering consulting firms to provide expertise in Construction Engineering and Inspection (CEI) services on the projects described below. The scope of work may include but not be limited to construction inspection, surveying, materials testing and reporting. This project is being funded by the American Recovery and Reinvestment Act as a Tennessee Department of Transportation (TDOT) Locally Managed Program. The method of payment shall be cost plus net fee.

- **ARRA Bridge Guardrail Repair**, TDOT PIN #112894, on a continuing contractual basis.
- **ARRA Sam Cooper Bridge over IC and Union Pacific Railroads Approach Repair**, TDOT PIN #112835, on a continuing contractual basis.

- **ARRA Winchester Road Tunnel**, TDOT PIN #112836, on a continuing contractual basis.

Firms may request consideration by submitting a letter of interest along with qualifications to Mr. Jack Stevenson, 125 N. Main, Suite 644, Memphis, TN, 38103. All letters of interest and qualifications must be received on or before 4:00 p.m. Central Time, Friday, April 9, 2010. The letter of interest and qualifications shall indicate the scope of services to be completed by any sub-consultants. Sufficient information on qualifications should be attached to the Letter of Interest, such that the factors that will be considered in evaluation, listed below, can be properly judged. Include in this information one or more contacts at TDOT who can verify the information provided concerning TDOT work or approvals to work. All three projects will be under one inspection contract.

For additional details regarding the proposed services to be provided, letter of interest submittal requirements and City of Memphis prequalification procedures, go to www.MemphisTN.gov or contact Mr. John Cameron, 576-6700, John.Cameron@MemphisTN.gov.

Information pertaining to TDOT prequalification procedures, list of pre-qualified firms, TDOT's standard procurement policy, and additional information can be found at this internet address www.tdot.state.tn.us/consultantinfo.htm. Interested firms without internet access may obtain this information by calling Ms. Paula Johnson at (615)741-4460 or by email at Paula.Johnson@tn.gov.

Submittals will be reviewed by a Consultant Evaluation Committee who will make recommendations to the City Engineer of several firms who would make viable candidates from which to make a selection or invite more detailed proposals and/or presentations. The factors that will be considered in evaluation of submittals are:

- Past experience in the required disciplines with TDOT and the City of Memphis.
 - Past experience specific to CEI on TDOT projects or TDOT approval to perform such work on locally managed projects.
 - Qualification (certifications) and availability of staff.
 - Demonstrated ability to meet schedules without compromising sound engineering practice.
 - Evaluations on prior projects with TDOT and City of Memphis, if available.
 - Size of previous projects.
 - Amount of work under contract with TDOT and City of Memphis.
 - Prequalification with TDOT and City of Memphis.
- Evaluation proceedings will be conducted within the established guidelines regarding equal employment opportunity and nondiscrimination action based upon the grounds of race, color, sex, creed or national origin. Interested certified Minority / Women Business Enterprise (MWBE) firms are encouraged to respond to all advertisements by City of Memphis. For information on MWBE certification, please contact Ms. Carlee McCullough, (901) 576-6210, City of Memphis, Contract Compliance Office, 125 N. Main St, Memphis, TN 38103. Wain Gaskins, P.E.
